3. Should possess knowledge of at least 1 programming language mandatorily.
4. Applicants willing to enroll in the program should have decent communication skills.

INTERVIEW GUARANTEE Criteria

Throughout the program, students are graded according to their performance during the training.

Final grades are published by the end of the program & all students meeting the placement eligibility criteria will start getting interview opportunities from our Career Services Team.

Below table details the minimum grade required to be eligible for interview opportunities:

Tiering	SCORE	Interview Guarantee
T1	90% and Above	✔ Yes
T2	70% - 89%	✔ Yes
T3	50% - 69%	✔ Yes
T4	49% and Below	✔ No

1. Overall grades should be at least 50% (T1, T2, and T3) in the course
2. Candidates below 50% marks will not get an interview guarantee & hence won't be eligible for money back guarantee.

Other conditions:
1. Pass all Imarticus mock interviews and the Capstone project evaluation.
2. Have an average attendance of at least 80% for each module of the course.
3. TC while applying to jobs should not be more than 3 LPA.
4. Candidates should not be involved in any kind of plagiarism while pursuing the course.
5. The Career Services Period is 6 months after completion of the program.
6. We will closely support the students to ensure they get access to the right career opportunities and get placed with a salary of 3-6LPA in a full-stack/software development job role.

As a job aspirant:
- Students are expected to apply for all jobs and attend all interviews they are selected for (*as directed by the Career Services Team*).
- Participate in Career Drives powered by Skillenza.

Can I get disqualified from career services during the Career Services Period?

Student will not be eligible for placement support if:

1. The student fails any background check from their previous employers/ institutes.
2. The student does not follow up with the recruiter for an opportunity and is not present for a digital/in-person interview.
3. The student accepts a job opportunity outside the career services platform before the 6 month guarantee period is over.
4. For Final year applicants: They fail to graduate with >50% marks.
5. The studentis not open to relocation to any other city or turns down an offer because of work-from-office or shift timings.

How does the Money Back Guarantee work?

Guarantee Period/Career Services Period
- Up to 6 months after completion of the program

Our Guarantee
- Maximum 10 interviews from any location across India in software development and programming roles (E.g. *Front-End Developer, Back-End Developer, Full-Stack Developer, etc*)

Qualifying Position
- The student needs to complete the program and should have applied for all the jobs as described by the Career Services Team.
- If the student has not received 10 interview opportunities within the guarantee period of 6 months after completion of the program, they are eligible for a refund of the program fee.

Process
- Student will have to fill out the refund request form.
- The refund request form must be submitted to the career services team within 30 days after the end of the Career Services Period.

Time
- Refunds, upon approval, will be processed within 30 business days to the original source of payment.

Note: If a refund request has not been submitted within 30 days of the end of the Career Services Period, the student will not be eligible to request a refund.

Eligibility Criteria for Money Back Guarantee

1. Overall grades should be at least 50% in the course (candidates below 50% marks will not get a placement guarantee)
2. Have an average attendance of at least 80% for each module of course
3. Pass all Imarticus mock interviews and the Capstone project evaluation
4. CTC while applying to jobs should not be more than 3 LPA
5. Candidates should not be involved in any kind of malpractice during the program
6. Candidates should abide by all the guidelines related to career services and placement
7. If Imarticus learning fails to provide 10 interviews to the candidates in the span of 6 months career services period
